(d) and (e) All the eligible Executive Engineers (Civil) as well as (Electrical) in the final seniority list issued upto 31st March, 1994 have been sanctioned the non-functional pay scale of Rs. 12000—16500. The remaining eligible Executive Engineers will be considered for grant of non-functional pay scale after the seniority list is finalized on conclusion of various pending court cases.

Approved plan of green belt in Anand Vihar

2648. SHRI C. O. POULOSE: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to refer to answer to Unstarred Question 1349 given in Rajya Sabha on 2nd December, 2002 and state:

(a) the details of approved plan of the DDA for developing green belt near DDA flats, Anand Vihar, around the nullah;

(b) whether any provision for permanent sewage disposal (other than pumping of sewage) and potable water pipeline is a part of the plan;

(c) if so, the details thereof; and

(d) if not, in what manner this serious problem of sewage disposal and drinking water is proposed to be trackled by Government?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI O. RAJAGOPAL): (a) The Delhi Development Authority has informed that the approved plan for developing green belt near Anand Vihar DDA Flats envisages provision of pedestrian footpaths and green buffers on the periphery of the nullah berms. The parks on either side of nullah are to be connected by small culverts/bridges on the nullah. The large open spaces are to be developed as small parks with neighbourhood facilities like children corner, jogging track etc.

(b) to (d) The Delhi Jal Board has informed that it has initiated steps for providing permanent sewage disposal (other than pumping of sewage) system in the said area. Tenders have been invited for providing an outfall sewer in this area. The DJB has also informed that presently water supply in DDA Flats near Anand Vihar is normal and there is no leakage in the water lines.
